

Catheter Care

By completing this course, you will be able to:

- Identify specific reasons a urinary catheter may be used.
- Understand living with a urinary catheter.
- Identify the risks of a urinary catheterisation.
- Use catheter equipment.

(We are working in partnership with the Grimsby Institute to support existing staff with development; they offer a wide range of short courses along with Diplomas in Health & Social care.)

Certificate awarded upon completion of induction. T&C's Apply.
